Input

http://wallet-security-hold.test/claim-prize?session=bank1016,http://wallet-security-hold.test/claim-prize?session=bank1016,phishing,

Explanation

- Contains 3 suspicious phishing keyword(s).
- Mentions money, prizes, rewards, or gifts.
- Includes one or more links.
- Domain contains hyphens, a common impersonation signal.
- Uses insecure HTTP instead of HTTPS.
- Requests or references sensitive account information.
- VirusTotal request failed.
- Google Safe Browsing found no threat.
- WHOIS check failed: Whois command returned no output

Recommendation

This content looks suspicious. Verify the sender or website through an official source before taking action. Avoid clicking links or downloading files until you confirm it is legitimate.
